Hi Folks,

It was great to see a good number of members at our last meeting when our Marketing and Membership committee gave enlightening talks about how we are working at membership issues. Membership and marketing is one of the most critical parts of keeping a Rotary Club running successfully, not only this week, but long into the future. It is also one of the hardest things to do right. What's appropriate and 'works' for one club might not work for another. People are different. Expectations often vary. Capabilities of one person can not be expected of another. Interests are as varied as the colours of the rainbow.

So it's no surprise that there's no formula that can answer everyone's problems. Our club at Chelsea is often observed and remarked upon as one of the more successful clubs because we enjoy what we do and value everyone's contributions, and enjoy each other's company while we do it. Hopefully our relatively new Volunteer Engagement Program will help us to attract and retain members for many years to come.

This week we are meeting at the Edithvale Fire Brigade at 206 Station Street, Edithvale. BYO drinks and the meal is planned to be a BBQ. Hopefully any Fire Restrictions won't be a problem.

See you there...

All the best, *Simon.*
