Rotary – an organization of diverse complementary parts.

Most commercial enterprises would love to have as well organised a system as Rotary has developed over the last 100+ years. Great brand reputation. Substantial stable funds under prudent management by the Rotary Foundation. An endless supply of potential members. And well-tested, documented, accessible procedures to fund and run projects and maintain them sustainably.

At our last meeting, Hans gave us a thorough explanation of how and why the various Rotary Foundation programs work, and how clubs such as Chelsea Rotary can benefit (and have benefited) by using Global and District grants to fund projects. The Rotary Grant system does require multi-year planning though, and we rely on specially trained members such as Hans to expertly apply for (and manage) our grants, which significantly leverages our fundraising, so that we can increase both the diversity and effectiveness of our projects.

David Healy, Vocational Director, reported on the plans and achievements of our Vocational Committee, which included using Grant funds which are available to all District 9810 clubs to fund some Chisholm TAFE scholarships as well as to provide assistance for golf apprentices to complete their apprenticeships. It was great to hear how previous golf apprentices have been helped to achieve their professional careers. David also described a proposal to mentor the business community so that they might benefit from the years of experience of Chelsea Rotarians in running their own substantial enterprises. Rotary is already mentoring Victorian Police Commanders; this is a similar way to engage with the community and share our considerable breadth and depth of business expertise. After all, we not just good at Farmers Markets and sausage sizzles!

There is no Rotary dinner meeting this Tuesday due to the Golf Day on Friday 2nd March. We hope to see you there!

Best wishes,
Keith.

Making a Difference

Chelsea Men's Shed open Day

We have been asked to run a stall at the Chelsea Men's shed open day on the 24th March 2018.

We have agreed to do a sausage sizzle with the proceeds being donated to the Men's shed.

The open day will run from 9.00 am to 2.00 pm.

Can we please have some volunteers to run 2 shifts

8.30 am to 10.45am and 10.45am to 2.00pm

If you can assist, please contact Sandy Antonuccio on 0408119576.

Unplanned trip for Leo

It looks like Leo won't be riding for a few weeks after an unplanned trip of his own. At least he can still manage a smile. Sort of.

Housesitting offer from some rural Rotarian friends...

We received the following letter from some friends down Gippsland way. Perhaps they can be of assistance to someone who reads this newsletter (or someone you might know) who needs their house cared for whilst they are away for an extended period. You might be able to mutually help each other.

Dear Sir/Madam

I am reaching out to your Club regarding House Sitting in your vicinity, we have also registered on Mindahome recently.

My Husband Glenn is a member of the The Rotary Club of Lakes Entrance, joined in 1985, PP, Treasurer and we have been actively involved in the Student Exchange Program Hosting Students over the years.

Our daughter Kelly and Husband Clint reside in Edithvale and have six week old Twins. We would like to be closer to them over the next 12 months to help out when needed but also allowing them space to manage themselves, so this is the reason I am making contact with you, short stays or up to 3 week periods would be most suitable for us and also helping out somebody going on holidays having someone to water a garden or look after a Pet.

The only time we would not be available would be Easter as Kelly, Clint and the Twins will be visiting us and between the 28th April and 12th of May,

Yours sincerely

Dianne & Glenn Ford
