## Community Committee Report to Members

### Food Distribution Project

### Art Show

Is on track with judges in all areas confirmed

### Golf Day Friday 2nd March

Please get teams signed up and book for dinner, volunteers are needed on the day contact Peter Batten

### Men's Shed Barbecue

Saturday 24th March 5 Blantyre Ave 9.00-2.00

Volunteers to man the barbecue are needed please contact Sandi Antonuccio

### Venue Update

We met with the John Nevins the CEO of the City of Kingston to see if the air-conditioning and heating could be repaired and block out blinds provided. He was very interested to hear what we had to say and felt that as it is a community facility this should be provided. We then met with the maintenance manager for Kingston who is following up on the licence agreement and servicing records he will also get someone to quote for the blinds. It looks promising at this stage so keep your fingers crossed.

### Opportunity for the Club

We have had an offer to be part of the [Southern FM](#) community based radio program! It will be the Chelsea Rotary Club's hour (once a fortnight or month still to be decided) in this time we will be able to talk about our projects, look for new members, source new projects and volunteers. We will also open it to all District 9810 Clubs.

This exciting prospect will benefit us in membership, greater community awareness and support for projects. The Club voted to further explore this opportunity.

Cheers

Maree
