What a time to be alive

Whilst often said in jest, the above saying has a ring of truth to it. Notwithstanding the significant risk of being a student in an American public school, International violence is less pervasive than it has ever been (despite what you read in the 'news'), people are living longer than before, and information has never been more readily available thanks to the internet.

Another good example is the excellent work Chelsea Rotary does to support young people in our local and somewhat wider area, ranging from encouragement awards at Primary and Secondary schools, to sponsoring, supporting and expanding the Junior Mayor program (to Junior Councillors), as well as the extremely effective Camp Awakenings weekends. The dozens of volunteers that make Camp Awakenings happen are motivated, highly trained, experienced leaders and counsellors, and are often sourced from graduates of other established Rotary programs such as RYLA. Since its inception by the Rotary Club of Aspendale in 2001, and with sponsorship by Bendigo Bank, the camp has had a significant and beneficial impact on the students who attend for the three days. Many parents can't believe that the student they send off to camp on the Friday is the same person who returns home on Sunday from the camp, and letters of congratulation on transforming young people are not uncommon. Olaf and Michael and the Chelsea Rotary Youth Committee, along with the Camp Awakenings team do a fantastic job in helping to develop the young people of today into the leaders of tomorrow.

This week we will hear a Foundation report from Hans Wehmoller and a Vocational report from David Healy. And who knows what other things we will discuss. Everyone's contributions are welcome!

Best wishes,
Keith.

Making a Difference

Bonbeach Football Club needs our help!

Matt Lowe (President of the [Bonbeach Football Club](#)) needs our help at their first game on Good Friday, at the Bonbeach football ground. They need people on the gate and to cook a BBQ. In return, they will help us at our Art Show or Camp Awakening. Please contact Simon Pearson if you are able to help. 0408 141 924

Ride from District 9810 Conference

Thank you to Leo and Teena for hosting a terrific BBQ on Saturday night to help raise funds for Mental Health Research via the 2018 Rotary Conference Bike Ride. Good luck and good riding to Leo and Bill Pitt who will be riding from Bendigo to Wangaratta via a somewhat circuitous route.

Here is the link if you would like to sponsor Leo on his bike ride:

We were fortunate to be treated to a few songs by Mr Fredrik Benedict Nybladh, arguably the best singer in Sweden, who was a Chelsea Rotary Exchange Student some years ago. Here's a short sample of his talent. Apologies for the brevity and poor camera angle, but I was too engrossed in his marvellous singing. (This link will expire on 20 Feb. and is a 112MB download.)
