ABOVE SELF”

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian’s personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Junior Mayor

At our dinner meeting at the Chelsea RSL this Tuesday (30th May) we will have the honour of meeting the City of Kingston Junior Mayor for 2017/18, Tess Ashley. Tess presented her winning speech, with a little help from her friends, to an audience of 300 including teachers and parents from several Kingston schools.

Pupils presented ideas on “the benefits of young people volunteering” and Tess described volunteering as being surrounded by “gems” — precious people, not diamonds, rubies or sapphires.

“Volunteering creates an inner sparkle that shines more brightly than diamonds,” Tess declared in her speech.

By volunteering young people would become more mindful of others and grateful for what they have compared to others, Tess said.

Chelsea Rotary has been supporting the Junior Mayor program since we conceived it 50 years ago. A partial list of the previous Junior Mayors can be found [here](#).

The students benefit from taking part in the system of election by their peers, and are thoughtful, intelligent and engaged. They have definite well-considered ideas about new and innovative council policies and are more than willing to share their views.

We look forward to meeting Tess.

National Reconciliation Week 2017

27 May to 3 June

Let's take the next steps

Each year, National Reconciliation Week (#NRW2017) celebrates achievements in our journey towards reconciliation, with hundreds of events held nationwide.

Held annually from 27 May to 3 June, NRW is bookended by important milestones: the 1967 referendum and the Mabo decision, respectively.

In 2017, these milestones mark significant anniversaries: 50 years since the 1967 referendum, and 25 years since the Mabo decision.

The week reminds us that big changes take persistence and courage, so let's celebrate together and take the next steps.

If

you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream- -and not make dreams your master;
If you can think- -and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: 'Hold on! '

If you can talk with crowds and keep your virtue,
Or walk with Kings- -nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And- -which is more- -you'll be a Man, my son!

Carindale PCYC Youth Shed

We hear a lot about multiplying our effectiveness in Rotary by forming partnerships. An excellent example of this is the Carindale PCYC Youth Shed, initiated by the Rotary Club of Carindale.

The Youth Shed provides a space where “at risk” teenage boys learn manual skills like gardening, cooking, woodworking, welding and car repair under the tutelage of skilled adults.

Advertisements...Bowelscan

Greg Caughey has Bowel Scan Test Kits available for just \$15. You can't afford to poo-poo this incredible offer.

In the Month of May Using a Bowelscan Kit Could Save Your Life

Bowel cancer is the number two cancer killer in Australia. The good news is that bowel cancer is one of the most curable types of cancer if detected early.

Bowelscan is a public awareness program seeking to increase community awareness of bowel cancer and the importance of screening for both men and women over the age of 40. For over 30 years Bowelscan has been saving lives by distributing screening kits to Australians to catch cancer early.

Biennial screening using a faecal immunochemical test (FIT) is an effective way to catch bowel cancer in its earliest stages when it is easier to treat and cure. The new Bowelscan program uses the latest Australian technology that has been shown in Australian clinical trials to detect 9 out of 10 cancers.

Other benefits include:

- Convenient and easy to use – NO faecal handling (toilet water sample only)
- No dietary changes or medical restrictions
- Samples do not require refrigeration and can be returned by regular mail directly to the lab.

Bowelscan is a not-for-profit initiative.

Feel free to advertise your pre-loved items here, or place requests for things that you think people might have at home that they don't need.
