Message from the President

Hi folks,

Well, it's not often that we allow a guest speaker to run an hour over time, and John Vizard from Brown Brothers was very engaging, although I have noticed that the topic of wine is quite close to many (but not all) Rotarians' hearts. The tasting of selected Brown Brothers wines in the last 30 minutes of his presentation appeared to be the highlight of the night, but it was fascinating to learn just how much skill, care and science goes into producing perfect wine. It was great to see George back again, and we hope you continue to improve George. We're all thinking of you.

The Luke Batty Foundation Fun Run on Sunday at Bicentennial Park in Chelsea went very well, with hundreds of people running and walking to help support the foundation and raise awareness of family violence. I think Rosie was pleasantly surprised at the amount of support that was shown. Our food stall was quite busy feeding volunteers, exhibitors and participants. We also had the first opportunity to wear our new club T shirts in public. They look quite colourful, and somewhat more modern than the old ones.

This week Iain Uren will tell us about his recent trip to Kyrgyzstan and Kazakhstan, as only Iain can. And we will have our Board meeting after the normal dinner meeting. As usual, all club members are welcome to attend the Board meeting - it gives you a bit deeper insight into the behind-the-scenes workings of the club.

Cheers
Ian.

ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

The Stolen Generation

RC Glen Waverley just had Julian Burnside as a guest speaker who spoke about his work helping Bruce Trevorrow who was part of the Stolen Generation, and also about his work with refugees. Rozi and President Ian were invited to the dinner meeting by Jeff Steele who is a member of RC Glen Waverley.

Monash Children's Hospital Children Fun Day - Jells Park Sunday 22 November

As you may know, District 9810 is helping Monash Children's Hospital with this fundraising event.

It will comprise about 40 market stalls and some toddler rides and games. Many of you will already have been approached by the event coordinator AG Claire Button to provide stalls and are doing so.

Rotary Club of Monash has been nominated to organise the logistics for this event, and we are seeking assistance with people power to be event marshals on the day. It will be held in Jells Park between Madeline's Restaurant and Jells Lake on open lawn. There will be three main tasks

- Set up between 6am to 10am
- Managing the day between 10am and 4pm
- Pull down between 4pm and 6pm

We are expecting about 4,000 visitors to the event, who will perhaps stay for 2 hours on average. We estimate about 400 cars will be there for this event at any one time and they will take up at least 60% of the Jells Park in ground parking spaces. The major task is managing parking and vehicle movements, because the park will be used by other regular park visitors at the same time.

The second task will be as safety marshals and general admin assistants during the event and during set up and set down.

We have put a risk management and traffic management plan to the park managers Parks Victoria, which they are considering.

We need a maximum of 30 marshals in the peak periods, ramping down to 16 to 18 during set up set down. Two of these marshals on any shift may need some background in security and first aid but Victoria Police and the Royal Flying Doctor Service will be providing the main support here.

RC Monash will provide management and some of these numbers but, being a small club, we need your help. This communication formally asks for your assistance.

Over the next two weeks we will be mobilising equipment and position/task descriptions for the marshals, which we will get to you a week before the event. It will help if some of you have Working with Children tickets. There will be formal tool box meeting before each of your shifts so the tasks will be clearly spelled out.

If you can provide your own club or private Hi-Viz vests and Rotary caps that would be great.

Also if it is possible to come in the least amount of vehicles (i.e. share). That will take a load off the parking which will be one of our major management tasks.

This is a major fund raising effort for the District and has the full support of Monash Children's Hospital. We are also asking them for resources to help out on the day.

Could you please advise what your club can do to assist, directly to Tom Flintoff (RC Monash) on his email: tomflintoff@hotmail.com. It would be great if you could respond as soon as possible, but by no later than 6 November.

We look forward to hearing from you.

Cheers,

Craig Kendall - President RC Monash

Proposed New Member

We wish to advise our members that Hazel Kewin has been proposed as a new member of The Rotary Club of Chelsea. Hazel has been part of our Volunteer Engagement Program for quite some time now and I think all of our members have had a chance to get to know her and enjoy her friendship and contributions.

If any of our members of the Rotary Club of Chelsea would like to discuss this proposal, please contact Kevin Harrison (Marketing and Membership Director) on 0407 772 225.
