Message from the President

Sorry I wasn't able to be there last meeting, but I'm grateful to Peter for taking over for the night. I ask all of our members to please consider accepting a Board position for next year if you are offered one; of course you don't have to wait to be asked. You learn a lot, have the opportunity to influence the decisions of the Board, and you'll find you will extend your capabilities beyond what you think you can do.

If anyone would like to help on Sunday the 22nd of November at the Monash Children's Hospital Fun Day at Jells Park, your help will be most appreciated by Claire and our District. Contact Claire to see how you can help. This is a major project for District 9810 so any help our club can give would be terrific. The forecast is for 20 degrees and sunshine. We expect around 1500 to 3000 people (or more).

Our thoughts are with our many friends in France (including all of our French exchange students and their families), after the horrific attacks on citizens over there. We hope the peace and bonhomie of France is soon restored and look forward to the day when civility and international respect is restored on a global scale.

This week we will have Andrew Fuller from Resilient Youth Australia coming to speak to us. His presentation will be very relevant to anyone who works with young adults and influences their future.

Hope to see you there.

Cheers,

Ian.

For those Rotarians booking for the Rotary International Convention in Seoul, South Korea 28th May to 1st June 2016, would you please advise PDG Tony Monley at anthony.monley@bigpond.com of your registration as we would like to organise a District get-together at the Convention.

Greetings from Berlin

This week I am in Berlin for work but decided to take a look at "old East Berlin". I entered via Checkpoint Charlie, just because I could. I walked along the "Wall Memorial" and this graphic caught my eye as it says so much with so little. It is unfortunate that vandalism is rife along the remnants of the wall but it was most interesting to see it and talk with people about it. The young people here don't know what it was like when the wall was up. To them, it's simply Berlin!

Cheers
Keith

FAMILY FUN DAY IN THE PARK

10 AM~4 PM
NOVEMBER 22ND~JELLS PARK-
(near Madeline's)

As Ian said in his message this event needs as much help as possible. There cannot be enough people and if the event is fortunate to have many volunteers turn up, imagine how easy the day would run!!!

Those who work at the Farmers Market know how much easier it is when we have lots of people helping. This is no different and the beneficiaries, Monash Children's Hospital, will be the big winners.

If you can spare a couple of hours please let Claire know ASAP.
