Presidents Message

Around the world in eighty days. Well seven weeks in Europe with Smithy.

Tuesday night gave us a grand tour of his recent tour of the Mediterranean coast.

Starting off easy and lazing away on a friend's yacht before taking up million dollar seats at the Monaco grand prix. Then Venice before heading off to Italy and finishing in Santorini on the Amalfi coast. Looked like a fantastic trip and the photos were great.

I think some of our members have been inspired to travel a little further than Bali for their next trip.

This week District Governor Carol Lawton will be visiting us.

Carpe diem,
Peter

Editor's Note: Blame Smithy for lack of photos 😊

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In the last six months 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

"We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit".

UNICEF works in over 190 countries to support children's health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So, far more than 15 clubs in the district have joined enthusiastically into this initiative.

For more details, contact Hans Wehmoller - hanswehmoller@gmail.com.

\$2 will provide a severely malnourished child enough therapeutic super food for one day.

Some Fun

Half of my high school classmates are getting married and having kids and the other half are out chasing Pokemon. What a time to be alive.

Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or david@5-dimensionz.com.au

Projector

Kevin Harrison loaned his projector to a Rotary function and it seems to have gone looking for items to display on its own.

If you know the location of the projector, please apprehend it and return it to Kevin. We are sure Kev would buy you a coffee!

Chelsea Rotary are assisting with this and we need volunteers to help on the two days - i.e. 13th. and 20th. August. The volunteers only need to co-ordinate the bookings on the day and also promote Rotary. We need two volunteers per session, say 8.00 a.m. for set-up to 11.00. a.m. then 10.30 a.m. - 2.00 p.m. and 1.30 - 4.00 p.m. Not hard and fast time slots, will work on these.

**We are in desperate need of a few more volunteers for this.
Please contact Lesley on 0407 176 323 ASAP.**
